## 1-8 November: Plenary indulgences aplenty!

There are plenty of opportunities to seek plenary indulgences especially for the poor souls. We should take special advantage of this time, perchance to bring eternal peace and joy to suffering souls. Catholics can do more than simply say, “Rest in peace.” We can take action. And to do so is a noble act of charity and mercy. For more information, please check the insert.

**Book of Life:** is located by the Statue of St. Joseph on the north side of the church. If you have a deceased loved one that you would like to add, please feel free to do so. We will include the names in this book in our prayers through the month of November.
