### *Grateful for Our Past...Preparing for Our Future*

A diocesan-wide campaign has been initiated to strengthen parish life and the local Church by enhancing the funding for priest retirement and seminary education, and by establishing a new endowment for youth formation. In the weeks ahead, you will be hearing more about this significant endeavor occurring throughout the diocese and its parishes.

The campaign, entitled *Grateful for Our Past...Preparing for Our Future*, is an excellent opportunity for us to address the most pressing needs of the local Church and our parish. The campaign seeks to raise a minimum of **\$15,000,000** through the generosity of Catholics throughout southern Missouri.

All 66 parishes, 18 missions and 4 chapels throughout the diocese will be participating in this campaign. With God's help and with everyone's participation in this endeavor, we can successfully reach our goal and build for our future together.

Each week, this space in our bulletin will be devoted to reminders and important announcements regarding *Grateful for Our Past...Preparing for Our Future*.
