God gives each of us talents that make us unique. Some are planners, while others are doers. Some make people think, while others can make them smile. Some give strength, while others seek strength. Whatever God's gifts, we are called as caretakers to develop our talents and return them with an increase to Him by sharing them with others. Soon, we will accelerate our efforts and continue toward our goal of contacting every family in our parish. To accomplish this objective and to continue our early successes, we need your assistance. By telephone this week and through presentations at Masses next weekend, we will ask each of you to participate as a campaign volunteer in this significant endeavor. If you have joined us in other parish efforts, please volunteer again. If you have never volunteered for anything in connection with our parish, this is your opportunity to begin.
