Last week, we announced the start of a campaign for our Diocese entitled *Grateful for Our Past...Preparing for Our Future*. This theme was selected because it shows our gratitude to the generations of parishioners and priests who advanced the mission and vision of the diocese, and it demonstrates our willingness and responsibility to prepare for the future. This campaign will secure the future of the diocese and its parishes by raising a minimum of \$15 million to augment existing endowments for preparing our future priests and priest retirement, and to establish a new endowment for youth formation. Many of you support our annual campaign; Diocesan Development Fund (DDF). We are grateful and blessed by your annual support and generosity. DDF successfully supports the annual operating needs of the diocese; however, it is unable to fund the major capital and endowment needs that exist today. Thus, this is why this diocesan campaign is being conducted.

Our parish target for the campaign is \$ 91,305.56.

Additional news and information about this important effort will be forthcoming.
