We are approaching the annual Diocesan

Development Fund appeal conducted on May 5 and 6. This is the Bishop's

Annual Appeal and it is conducted in every parish of the diocese to help finance more than 45 ministries and programs in the diocese. Our parish goal is \$14,341.42. Please continue to keep the DDF campaign in your prayers.

In the Book of Genesis we read: God blessed the seventh day and made it holy, because on it he rested from all the work he had done in creation (Gn 2:3). Besides a Sabbath rest every seven days, there was also one every seven years. In the Book of Leviticus we read: For six years you may sow your field, and for six years prune your vineyard, gathering in their produce. But during the seventh year the land shall have a sabbath of complete rest, a Sabbath for the Lord, when you may neither sow your field nor prune your vineyard (Lev 25:3-4). Based on the biblical injunction of the Sabbath rest, the concept of sabbatical has evolved in modern times as a period of rest, rejuvenation, and study. Our Diocese has a policy that priests are eligible for a sabbatical after each seven years of service in the Diocese: "A sabbatical leave is an approved leave, normally three months in length, without the loss of assignment; its purpose is one of the renewal, enrichment, and personal growth." I will be away from our Parish from **April 15, 2018 till August 1, 2018**. Please pray for me safe travels. Fr Jarek.
